# Zero®

## Pool & Spa Lubricant

**ZERO POOL & SPA LUBRICANT** has been developed exclusively for the industry and remains the only product of its kind. It contains proprietary synthetic LXE® technology derived from renewable agricultural resources. The unique molecular structure of LXE® repels dirt and debris without breaking down. Zero Pool & Spa's lubrication benefits last up to 10 times longer than the competition making the job of maintaining pools and spas easier.

### BENEFITS

## ZerO Pool & Spa Lubricant

ZerO Pool & Spa leaves no greasy residue like traditional lubes. O-rings remain intact and clean up isn't required.

ZerO will go places traditional lube cannot. Without disassembling fixtures, you can reach problem area O-rings to troubleshoot or perform preventative maintenance.

ZerO Pool & Spa reduces friction and resists grit making parts last longer.

Creates a more water resistant and secure seal for underwater applications.

ZerO Pool & Spa makes applications easier, cleaner and safer.

Makes old, worn tools work like new again.

Releases seized ball and backwash valves without breaking them.
