## Above Ground Pool Skimmer

### FEATURES

#### Easy Snap Cover

The cover clicks into place so that it remains in position when there are waves in the pool.

#### Equipment Storage

Store your vacuum plate under the cover.

#### Convenient Vacuum Plate.

The suction plate sits directly on the skimmer basket, trapping large debris before it reaches the pump basket.

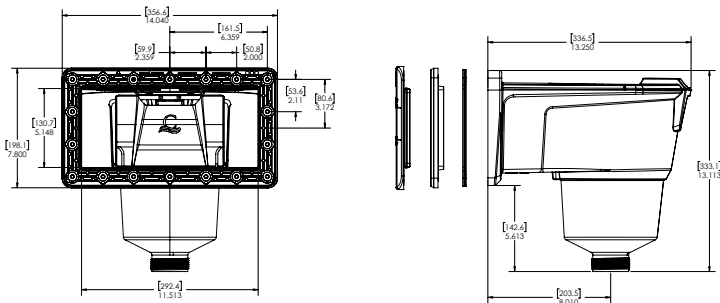

- **316L Stainless Steel Screws And Sealing Washers.** High end material resistant to chlorine and saltwater submersion.
